

10 Wudu Steps

① Recite Doa Before Wudu

② **Hand:** Use clean water, Wash both hands Upto wrists 3 time.

③ It is Sunnah to use meswak (70 times more rewards) to clean teeth & Gargle mouth 3 times

④ **Nose:** Run water upto nostrils 3 times with right hand & Clean nose with left hand.

⑤ **Face:** Wash face 3 times – From hairline to below chin & From one ear to the other. Run water/khilal of beard

⑥ Recite Doa During Wudu

⑦ **Hands:** Wash right & left hand including elbows 3 times. Run water/khilal of fingers

⑧ **Masah:** Wet hands & pass them over the head, ears, and nape. This is done once. Keep 3 fingers of each hand together (middle, ring & little), keep thumb & index finger raised, and pass 3 fingers from forehead to upper nape. Place palm on sides of head & bring forward to forehead. Insert index finger into ears. Make masah behind ears with thumb. Make masah of nape with back of middle, ring & little fingers.

⑨ **Feet:** Wash both feet including ankles 3 times- first right & then left including khalil of toes.

⑩ Recite Doa After Wudu

4 Fard/Compulsary acts of Wudu (*wudu is void if anyone is missed*)

1. Wash face from forehead to lower chin & from one ear to the other.
2. Wash both arms including elbows.
3. Masah of quarter of head once.
4. Wash both feet including ankles once.
